Winergy AG:Company Profile & Technical Research,Competitor

What kind of company is Winergy AG? Winergy AG supplies drive systems to the international wind power industry. It provides both drive systems for wind turbines and services right around

More than just a nuMber

Following the early years of wind energy business, Winergy was made a separate, independent en- tity within the Flender Group in 2001 in order to be able to better address the technical and com- mercial
